The Absolute Best of the Bunch!

This brand spanking new unit is definitely the best of the bunch - it is at the rear of the complex, with a private garden, and the owners have thoughtfully adjusted the downstairs floor plan to create a larger media room, while still allowing for a downstairs powder room. The owners have also recently added a shed to the back of the property for extra storage.

Modern, neutral tones throughout are just waiting for you to add your own splashes of colour. The living area is at the front of the unit and the media room is at the rear with the open plan kitchen being the centre point of the home. The fridge space is large and is already plumbed for a fridge with water dispenser / ice-maker, the dishwasher is in the central island bench and there is an induction cooktop for the chef. The techie in the family will also love the USB ports in some of the power points! A lovely little patio at the rear is a great spot for a morning cuppa or evening glass of vino.
