Location perfect - Sunshine Beach duplex.

This centrally located duplex is situated on the high side of the street affording lovely hinterland views and sunsets. It is but a short stroll to the quirky cafes and restaurants of Sunshine Beach, the Noosa National Park and the open beaches - you will be hard pressed deciding which to do first - coffee or surf?

Set over 3 levels, there is a remote access double garage on the lower level with stairs to the right leading up to the home. The open plan living, dining and kitchen are on the second level with both a balcony at the front looking out towards Mount Cooroy, and a covered entertaining area at the side. There are plenty of spots to relax and take in a cuppa or glass of vino, especially as the gardening is included in the rent!
